

# The Watermill *at Posara*

A special week-long painting courses in **watercolours**  
(& **acrylics and oils**)  
with **Jude Scott**  
**Saturday 28 August – Saturday 4 September 2021**

For centuries artists have drawn their inspiration from the Tuscan landscape and you could find few better places to enjoy your art and improve your skills than our beautiful historic watermill, set beside a river in a gentle valley.

*“An enchanting place - I really loved it, endless delightful subjects to paint.”*

***“We’ve been on many painting holidays, but this was the best ever.”***

You’ll stay in stylish bedrooms in elegant buildings around a sunlit courtyard. You’ll take leisurely breakfasts, enjoy mouth-watering evening meals at the mill and dine out in nearby traditional restaurants. Our gardens, millstream and riverside walks are all yours to enjoy.

## Your tutor: Jude Scott

**Jude Scott** is an artist from Western Australia who has been creating, painting and teaching for many years. She loves watercolours for *“their immediacy, unpredictability, translucency, dazzling colours and powerful tones”* but she also paints in acrylics and oils. She says: *I love a new challenge and paint all subjects - faces, florals, boats and landscapes.”*

As for teaching, Jude says: *“I enjoy sharing what I have learnt over many years of painting and it is always a thrill watching ‘the artist within’ emerge from each individual student.”*

One of her previous students says: *“Jude was truly amazing, great tempo, strong knowledge base, strong interpersonal skills, just the right mix of doing and listening.”* And a comment from a guest on Jude’s previous week at the Watermill: *“Very many thanks for such a wonderful week. I trust your gorgeous corner of Tuscany continues to thrive with all the warmth and creativity...such a charming and memorable week.”*

**Everything** is included in the cost of your holiday at the watermill: tuition, accommodation, pre-dinner aperitifs, all meals and wines (including outings to charming local restaurants) and all local transportation (including transfers to Pisa airport and an excursion by train to Lucca or the Cinque Terre).

**You get to Pisa, Italy, we do the rest!**

And you will be Cool and Green: all our rooms are air-conditioned, powered by photovoltaic panels which make us self-sufficient in electricity.
